Personal Statement

I am a leader. I want to see our team do well and for everyone to have the best opportunities. My coaches look to me to guide the ship and I really like that role. I am enrolled in the MAOS Honors Program in high school that will prepare me better for college.

On the field, I can play multiple positions including pitcher. Place me in any position and I will give 100% effort. I come from a long line of collegiate softball players (My cousins played at DePaul University, My mom played at Colorado State University and coaches at the University of Louisville today). My grandfather also played for the St. Louis Cardinals Organization. It was a path laid out for me if I chose to walk down it.
